# DJ ICE

DJ Ice specializes in providing quality DJ services for any occasion. He has been mastering his craft since 1987. With over 16 years as a professional deejay, DJ Ice has played as a mobile and club deejay and he has experienced each scene with equal success.

Because of his vocal abilities & talents, DJ Ice is asked to host a great deal of events. He has appeared at all types of functions from weddings and pool parties to NBA parties and fashion shows. His knowledge of various events and protocols makes him the perfect choice for your affair.

He spins Hip-Hop, R & B, Old School, Reggae, Club, Reggaeton, and Pop Music. A few years ago he switched from vinyl to CD's, which has made him better prepared for any type of event. DJ Ice is known to make any party an experience to remember!

Ice is able to give an impartial blend of today's music as well as yesterday's classics, catering directly to the crowd for which he is playing. He is known for his professionalism and punctuality. While being respectable to his clients and their needs, he is a master at reading and understanding precisely the sound that the audience wants to hear! DJ Ice's 3 year goal is to play for different audiences across the country and around the world!!
